

An Invitation to Sponsor the ITPA National Capital Chapter for the 2026 – 2027 Season

ITPA NCC fosters collaboration between government and industry through our monthly scheduled luncheon events, our annual Awards Dinner and Gala, and our Golf Tournament. We also support local charitable needs including Breakthrough T1D (formerly Juvenile Diabetes Research Foundation), the USO, the Capital Area Food Bank and the Salute Military Golf Association (SMGA).

ITPA events provide you *access to informative, insightful and open discussions with Government IT* leaders in an intimate venue, and the region's best opportunity to network with other industry representatives.

The 2026 – 2027 speaker season runs from November 2026 to June 2027. Typically, our luncheon events have from 50 to 75 attendees and our Annual Awards Dinner & Gala has 100 – 120 attendees. All 2026/2027 season luncheons and our annual dinner in June take place at Westwood Country Club in Vienna, VA.

Registration is now open for the 2026/2027 season. 2026/2027 Season Sponsorships include attendance at all luncheons and our Annual Awards Dinner & Gala.

You can also sponsor our 2026/2027 Annual Charity Golf Tournament scheduled for October 2027 at Westfield Golf Course in Clifton, VA through a separate golf sponsorship enrollment, or through an Executive Sponsorship, which would include the luncheons, annual dinner, and six (6) golfers.

Your sponsorship allows ITPA NCC to host dynamic events that connect government and industry leaders, fund operations and provide donation to our local charities.

Carlton Shufflebarger
President, ITPA NCC

Amy Fadida
Vice President, ITPA NCC

PAST SPEAKERS

2025 – 2026 luncheon speakers included Allen Hill, former FCC CIO; Kelly Fletcher, State Department CIO, Loren Smith, Director of the Solution Development Branch at GSA's FAS Office of Enterprise Technology Solutions; Stan Soloway, President & CEO of Celero Strategies, LLC; Tom Howder, former GSA FAS Deputy Commission/Acting Commissioner; Kyra Stewart, Director of IT Vendor Management Office (ITVMO) the GSA/FAS, and Robert A.
